Idaho Medicaid Plus Open Enrollment Notice

Dear <name>,

As a member of the Idaho Medicaid Plus (IMPlus) program you can change your provider during a special Open Enrollment period. This selection period occurs every year from October 15th through December 7th. If you choose to change providers, the effective date will be January 1st.

You are currently enrolled in Idaho Medicaid Plus with <<name of vendor>>.

What does this mean to me?

Option #1: If you are happy with your current IMPlus Provider, you **DO NOT** need to take any action and you will continue to receive your Medicaid benefits (including behavioral health services, Nursing Facility care and Aged and Disabled Waiver home and community-based services) by <<name of vendor>>. Please remember that with IMPlus your **Medicare coverage will not change**.

Option #2: If you would like to request a change to your IMPlus Provider, please make the change on the enclosed enrollment form and mail it in the self-addressed envelope, or you may call us toll free at (833)814-8568 and we will be happy to help you.

If you choose to select a new provider, please remember that the effective date will be January of the upcoming year. You will receive a welcome packet from your health plan that will include your new identification card, information about the plan and their contact information.

Option #3: If you would like your Medicare plan to match your Medicaid plan, we encourage you to consider enrolling in the **Medicare Medicaid Coordinated Plan (MMCP)** available through Molina Healthcare of Idaho and Blue Cross of Idaho. The MMCP is a program that integrates **both** your Medicare *and* Medicaid into a **single plan** and there is no cost to you. Please call Blue Cross of Idaho or Molina Healthcare of Idaho if you would like this simplified coverage (their numbers are listed below).
